➲ Google Campaign Objectives

Choose your objective

Select an objective to tailor your experience to the goals and settings that will work best for your campaign

Sales
Drive sales online, in app, by phone, or in store

Leads
Get leads and other conversions by encouraging customers to take action

Website traffic
Get the right people to visit your website

Product and brand consideration
Encourage people to explore your products or services

Brand awareness and reach
Reach a broad audience and build awareness

App promotion
Get more installs, engagement and pre-registration for your app

Local store visits and promotions
Drive visits to local stores, including restaurants and dealerships.

Create a campaign without a goal's guidance
Choose a campaign type first, without a recommendation based on your objective.
